The Guidon Difference:

- **Dedicated account representatives.** Every customer is assigned a single point of contact who will take personal responsibility for all aspects of our relationship with you.
- **Unrivalled return policy - 60 days.** Not completely satisfied with your equipment? Simply return any item to us in new or used condition within 60 days of purchase for an exchange, account credit or full refund.
- **Aggregated buying power.** Guidon's extensive supply network and volume discounts enable us to pass bulk savings on to our customers. You benefit from our volume pricing leverage.
- **Talented and experienced team.** Our executives are credentialed business professionals (JD, LLM, CPA, MBA) with significant industry experience, committed to exceeding our customers' expectations.
- **Strategic partner.** Our government and business savvy professionals understand that the complexity of your situation requires IT advisors who can see the "big picture" and who can help you achieve your goals.
